

We are now looking for passionate and empathetic individuals, who have a learning mindset and an interest in embracing innovative education, to join us in the following role as we co-create better learning for the next generation.

Interns (Communication)

How you will make a difference:

- Assist in the development and implementation of marketing campaigns
- Create and schedule social media content, including visual graphics, to promote education programs
- Draft and edit marketing materials, including FB and IG posts & graphics, and newsletters
- Support the maintenance of the organization's website and social media channels
- Collaborate with the team to brainstorm and execute creative marketing ideas
- May need to support video creation, including drafting the content and liaise with the videographers
- Perform any other duties as assigned by the supervisor

Who we are looking for:

- Currently enrolled in a degree program related to Creative Media, Graphic Design, or other closely related fields such as Digital Arts, Visual Communication and Marketing
- Passionate in education with the desire to drive positive change
- Strong written and verbal communication skills
- Familiarity with social media platforms and marketing tools
- Creative thinking problem-solving abilities
- Graphic design and video making skills are a plus, but not required
- Proficiency in Cantonese, English and Mandarin. Students who cannot speak Cantonese will also be considered
- Availability throughout the year, with each commitment lasting a minimum of two months. Please state your available period in the resume.

If you fit the above descriptions, we invite you to apply by sending your cover letter and resume to bonnie.tang@ednovators.org. Please explain your interest in the position and detailing your goals and objectives for your experience with our organization, and please also send us any relevant portfolio or work samples (if available).

Additionally, we are pleased to offer a travel allowance to our interns and provide a certificate upon successful completion of the internship. Outstanding performers may have the opportunity to join our organization as part-time employees.

Data collected will be used for recruitment purposes only. All personal data of applicants will be destroyed after 12 months.
